

# Automotive & Commercial Filter Crushers – 9" & 16" Chambers

The AFC-9 and CFC-16 heavy duty Quickpack® spin-on oil filter crushers feature 100% air operation, providing long lasting maintenance free operation and a significant cost-savings over more expensive electric powered units.

## BOTH MODELS FEATURE:

- Accommodates up to 4 automotive spin-on oil filters simultaneously
- Interlocking feature prevents door from opening until the ram is fully retracted
- Removable catch basin allows crusher to be cleaned periodically
- 100% air operated
- Mounting stand included and no complicated set-up or installation required
